

## Release Of Liability

The Building and flying of experimental aircraft involves significant risks, including property damage, serious injury or fatality. The undersigned party acknowledges these risks. The undersigned, his/her spouse and heirs agrees to hold harmless RAM Racing Engines,ltd, RAM Performance,ltd, Ronald Carr and his heirs and assigns from any damages, injuries and deaths in connection with the use of information and \or Electronic fuel injection systems and\or PSRU and\or any hardware or information furnished by RAM Racing Engines,ltd, RAM Performance ltd, and\or Ronald Carr.

The undersigned also assumes full responsibility for determining the suitability for any application to which the said information and \or hardware may be put. Under no circumstances shall RAM Racing Engines,ltd , RAM Performance,ltd, Ronald Carr or any of his heirs be held responsible for any direct, indirect, incidental, special or consequential damages, injury or death resulting from the use of it's products, information, data or services.

I the undersigned have read and fully understand and agree with the above statement.
