

Release Of Liability

The building and flying of experimental aircraft involves significant risks, including property damage, serious injury or fatality. The undersigned party acknowledges these risks. The undersigned, his/her spouse and heirs agrees to hold harmless RAM Racing Engines, LTD, RAM Performance, Ronald Carr and his heirs and assigns from any damages, injuries and deaths in connection with the use of information and/or engine and/or Electronic fuel injection systems and/or PRSU and/or any other hardware or information furnished by RAM Racing Engines, LTD, and or Ronald Carr.

The undersigned also assumes full responsibility for determining the suitability for any application to which the said information and/or hardware may be put. Under no circumstances shall RAM Racing Engines, LTD. Be responsible for any direct, indirect, incidental, special or consequential damages, injury or death resulting from the use of its products, information, data or services.
